### Online Bible School's First Graduate

Amazing Facts Philippines would like to congratulate:

*Mary Grace Andes*

for satisfactorily completing the 27 Online Bible Lessons.

Mary Grace is from 29 C. Champaca St., Western Bicutan, Taguig City. She is the first student to finish the online studies on April 5, 2019. She will receive the Amazing Facts Philippines Bible School Diploma as a proof of her completion and her diligence as a Bible Student. Below are her thoughts on her experience of being an online Bible student:

*"I always wanted to learn more about the Bible. So, when I saw the Ad from my newsfeed, I did not hesitate to enroll because I saw that as an opportunity. I am so thankful!"*

Through this Online Bible Study, it helped me learn a lot about history, and especially prophecies. My most favorite part of the studies is the lesson about Revelation. It helped me to understand more about it. And the significant truth that I was struck the most is about the seven plagues. Those who are sealed by God will never experience plagues.

Overall, it was really a blessing for me because I have been an Adventist for how many years but I have only come to completely understand some Bible teachings that are unclear for me before in the online lessons. And, I even learned much more! Now, I have additional learnings through these lessons." —Mary Grace Andes

## 2 Evangelistic Teams, 1 Month of Preaching, 101 Souls Baptized!

Two separate Mysteries of History & Prophecy seminars were conducted on March 15 to April 13, 2019. One was conducted by PAFCOE evangelists Darlyn Cabarubias, Floramae Dejito, & Sharon Caliso at Brgy. Gil Montilla, Sipalay, Negros Occidental; and the other was conducted by evangelists Randy Balinton and Ivy Basio at Kalagangan, San Fernando, Bukidnon. In total, both seminars reaped 101 souls. All glory to God!

Not only that, churches were also revived & trained for evangelism. The Sipalay evangelistic team, in particular, conducted a Personal Evangelism Training teaching church member how to give Bible studies and how to nurture the newly baptized. Over 100 attendees benefited from the training.

PAFCOE praises God for the success of the seminars. Also, PAFCOE would like to thank the conferences and the district churches, who hosted the programs, for their invaluable support and for giving PAFCOE the opportunity to work at their areas. PAFCOE prays for a continual nurturing for the newly-baptized souls, and the reaching-out of the church members to reach more souls.

Surely, many inspiring stories and miracles are behind to this success. We will be sharing to you soon God's interventions to the evangelists & church's work, and the conversion stories of the newly-baptized individuals. So, just keep posted!

## 3 More Public Evangelism Efforts

Three more Public Evangelism Efforts are on the way. In fact, one has already begun. As part of his iPreach on-the-job training, Caleb Jasper Lumingkit will be preaching the Three Angels' Message for one month in Inarawan, Antipolo City. His seminar started last April 19 and will conclude on May 18. He will be assisted by uniVERSEity, a group of active young people with a passion for soul-winning.

The two other Public Evangelism Efforts will simultaneously start on April 26 and end on May 25. Randy Balinton assisted by some PAFCOE graduates will be preaching in Purok Mondalo, Brgy. Unidad, Cagwait, Surigao Del Sur. And, Darlyn Cabarubias and Ivy Basio will be preaching in Seventh-day Adventist Church, Paradise St. Ext., Brgy. Hipodromo, Cebu City.

We are inviting you to come and invite your friends to the mentioned venues.

Please keep each evangelistic teams in your earnest prayers!
