*Go ye into all the world,
and preach the gospel... Mark 16:15*

IMPACT YOUR WORLD!

Valid thru October, 2019

To: Pastors, Elders, or Church Board

Dear church leaders and brethren,

Greetings from Philippine Amazing Facts Center of Evangelism (PAFCOE)!

Based in Manila Center SDA Church, Quezon City, Philippines, PAFCOE is one of the global evangelism training centers of Amazing Facts Ministry. PAFCOE trains Seventh-day Adventist lay-members, officers, and pastors to do evangelism effectively. The training takes 4 months. The first 3 months are in the classroom with MAIN subjects such as Public Evangelism, Child Evangelism, Personal Evangelism, Literature Evangelism, Health Evangelism, Daniel and Revelation, and Bible Doctrines. Also, students are immersed twice a week to an area of concentration for evangelism for outreach. The final month is an on-the-job training (OJT) where qualified students are sent to different parts of the Philippines to conduct a one-month prophecy seminar.

Because of their faithfulness, efficiency, and effectivity, PAFCOE graduates and bible workers are in-demand all over the Philippines and even abroad.

This letter brings to you a proposal:

PAFCOE invites your church to sponsor a dedicated, determined, and faithful member/officer of your church to be trained in PAFCOE's **Full-course Program** this coming **July 25 to December 4, 2019**. The following are the proposal details:

PAFCOE will:

- **Train** your sponsored student for 3 months
- **Send** the student back* to your church to conduct a one-month prophecy seminar.
- **Release a Php 27,000.00 budget for a Public Evangelism Site** that will be hosted by your church. The following are some clarifications regarding the seminar budget:
 - ***The budget will only be released to students who will qualify for OJT** (have a satisfactory grade on all subjects and conduct evaluation and pass the preaching practice evaluation). If your sponsored student will not qualify, no budget will be sent with the student. Make sure that you sponsor a dedicated and faithful student to undergo the training.
 - The Php 27,000.00 budget from PAFCOE is not the money you gave to sponsor your student. Your sponsorship money is mostly consumed already by OJT time because a huge part of the tuition is intended for your student's foods throughout the training duration.

- Rather, the fund will come from donations intended for PAFCOE evangelism only. Therefore, **any remaining fund from the Php 27,000.00 pesos budget must be returned by the student to PAFCOE.**
- The budget should only be used for the prophecy seminar concerns (interest fare, rent, etc.). **The fund should not be used to buy equipment for the church.**
- Expenses for handouts, tarpaulins, fliers, logistics, and travel will be deducted from the budget before giving it the student. Depending on your location, the student will have Php 7,000.00-15,000.00 remaining cash on hand upon arrival at your church/site.

Your church will:

- **Pay** the 27,000.00 pesos tuition cost of the student
- **Do ground work and prepare to host** a prophecy seminar on **November 1 to November 30, 2019**
- **Encourage** the sponsored student to do well in the training*

To qualify for the PAFCOE training, your prospective student must be **at least 16 years old; at least 6 months baptized member; have regular attendance in the church; have a good English comprehension (PAFCOE classes are in English); and have a good standing in the community.** Tell your prospective student to visit www.pafcoe.org/full-course for the application process and instruction.

When you consider this carefully, **sponsoring a student to PAFCOE is like sponsoring a prophecy seminar for your church.** The bonus, after 4 months, is that **your church will have its own certified evangelist** who can conduct various type of evangelism until Jesus comes.

There are other training expense on top of the tuition which you may also want to help your student with: books=2000.00 pesos; uniform=2000.00 pesos; travel=2500.00 pesos; and dormitory=3000.00 pesos. Nevertheless, **if you just pay for your student's tuition and if your student qualifies for OJT**, we will still follow on our part in the proposal.

We pray that the Lord will guide you in making this decision. To confirm your desire to sponsor a student or if you have any inquiries, feel free to contact Jessalou Pingol-PAFCOE's finance coordinator.
