Urban Evangelism Reaps 28+ Souls

On 12th of October 2019, **twenty-eight souls gave their lives to Christ** in the waters of baptism at Camp Crame pool. Because of unexpected circumstances, **Three more souls missed the baptism date but they are already scheduled to have their baptism this coming October 26.** These individuals were the result of the one-month Revelations of Bible Prophecy conducted by PAFCOE at Shekinah Fellowship Hall, Cubao on September 13 to October 12.

Cubao is one of the busiest part of Quezon City. It is the central hub for high-end residences, business, commerce, and transportation. People are always busy and on-the-go. Despite the seemingly impossible mission field, PAFCOE took the courage to minister to this part of the city. There have been Bible workers and Batch 15 trainees who were assigned to go through the streets and places to look for souls to prepare for the seminar. Sure enough, God gave them divine appointments and precious souls.

Shekinah Fellowship (an Urban SDA Congregation) hosted the seminar for one month in their hall. A Health Expo bridged the seminar event for four days, attracting more interests. Included in the seminar are the Children's program led by Darlyn Cabarubias, Health Lectures given by Randy Balinton, and the Gospel Presentation by Kevin Pingol.

Through the power of the Holy Spirit; the life-changing love of Jesus; and the unity of the church & volunteers, people were won to Him. As PAFCOE ventures for another evangelism activity, the newly-baptized souls will be taken cared of and nurtured by Shekinah Fellowship church members.

PAFCOE praises God for the results, and also would like to testify that people in the city need the gospel message and there is a great work to do. The city should not be left behind in soul-winning.
